Discipline Plan

Dear Parents,

St. Luke's discipline plan consists of a three strikes policy. We use this when our respect values (listed below) are not followed. A warning is first, a trip to my office is second, and third is a call to you. We will remove students in all grades who create disruptions for the class, after their warning, for a timeout. We are aware that anyone can have a difficult day. We feel it is better for all the children in the class to try and resolve problems outside of the learning area so that class can continue while the issue is addressed.

These removals will last only long enough for one of the coordinators or myself to go over the Discipline Plan with the child. Once the student is willing to return to the learning area, he/she will return. If the Church School Staff has concerns by recurring or frequent disruptive behavior, I will contact you.

There is a line for both you and your student (s) to sign below. Please call me at anytime for anything of concern to you. Thank you.

Sincerely,

Laura Schultze, Children's Minster @ 458-(5853)LUKE x31
